

To our valued customers,

After careful consideration and evaluation of the larger macro-economic environment, we will be implementing an **average price increase of 3%** across our various product families in 2026. The only exceptions will be within our Tri-Shield and Liquid-Liquid Coalescer product families, which will have increases of 2% and 4%, respectively.

This adjustment will be effective as of **end of business on December 30, 2025**.

We would like to take this moment to thank you for your continued partnership and we look forward to partnering with you into the future. If you have any questions or concerns, please reach out to your Jonell Systems representative.

Best regards,

The Jonell Family
